Mill Shed

Let SWS and Maki Corporation be your one stop source for Custom Millwork. Our capabilities are extensive. We were even commissioned by the City of Gardner to refurbish the famous "Big Chair"!

Just some of the available products and services for the professional builder include:

- Custom stair treads, starting steps, mitre return treads, winder treads and accessories
- Exterior PVC Millwork brackets and trim accessories
- Pediments, Pilasters and custom entrance trim
- Custom moulding profiles
- Butcher Block tops
- Radius trim in both wood and PVC

A vast selection of hardwood species are available.

Countertops

Fabricated in Gardner by factory trained professionals, our talented team can template, build and install solid surface and laminate countertops.

We offer:

- 100% Acrylic Staron or Wilson Art Brand solid surface material
- Laminate countertops by Wilson Art, Formica and Pionite
- Custom sizes and depths
- ADA compliant kitchen counters and vanity tops
- Several edge profiles to choose from
- Visit www.staron.com and www.wilsonart.com for more information.
