EXTERIOR LAMINATED VINYL LINEALS

LIMITED WARRANTY

WARRANTY COVERAGE

Chelsea Building Products warrants their exterior laminate for residential and commercial exterior color solutions. Chelsea Building Products' exterior laminate meets AAMA 303 *Voluntary Specification for Rigid Polyvinyl Chloride (PVC) Exterior Profiles* and AAMA 307 *Voluntary Specification for Laminates Intended for Use on AAMA Certified Profiles* test requirements for laminated profile performance. Coverage period is 10 years from date of application.

COVERAGE EXCLUSIONS AND LIMITATIONS

This warranty does not cover: defects found to be attributable to the fabricator, contractor or installer; defects found to be due to the building design or construction; unless specifically agreed to in writing; areas coated with touch-up materials; on-site rectification work; windows and doors installed in locations where atmospheric and environmental conditions are known, or should reasonably be known, to be harmful to the material or coating; material not having been regularly maintained by cleaning regularly with a damp, soft cloth; defects as the result of improper cleaning, use of thinners or solvents, abrasive or corrosive detergents, polishing agents, or sponges.

If the laminated surface fails to perform in accordance with the above standards during the warranty period, Chelsea Building Products will, upon notification and validation of the complaint by inspection, relaminate or replace, at its option, defective material supplied for the mainframe or sash frame of the windows or doors. This warranty does not include labor costs to remove the window or door, and Chelsea Building Products will not be responsible for any costs incurred in the removal, replacement, re-assembly, installation or reinstallation of the window or door, or any part of the component of the window and door.
